

International students and trainees, don't become unknowing accomplices to crimes

Please be careful and don't get involved with nationwide-occurring crimes such as illegal withdrawals from online banking accounts and other internet-related frauds.

Case 1 Illegal cash withdrawal

A criminal illegally accesses other people's online banking accounts, transfers money to a prepared bank account, then makes an international student withdraw money from said account.

I'm looking for a part-time job

I got an easy job for you!
You just have to withdraw some money!

Stolen Money

Withdrawing money is So easy ♪

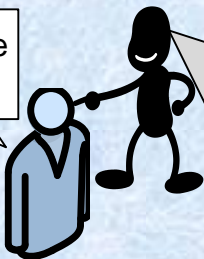

It's a crime !

Case 2 Receiving illegal packages

The criminal asks an international student to receive goods purchased illegally online by using other people's ID and password. The student is also told to send the received items to a place designated by the criminal.

Gotta make a living!

Just receive some packets and re-send them!
You can make a killing!

Stolen Packages

Receive some packet
Piec e of cake!

It's a crime !

Case 3 Buying and selling ATM cards or cell phones

The criminal offers to buy your cellphone or ATM card and bank book made under your name at a financial institution.

Gotta make money and send it home!

Go make an ATM card, and I'll buy it!

Just making How simple

It's a crime !

Be on guard against offers of easy-earning jobs!
Don't get yourself involved in crimes
